

Energy Solutions International, Inc (ESI) Limited 5 Warranty on LED Retrofits and Fixtures

Warranty Coverage

The Energy Solutions LED retrofits and fixtures are warranted to the original purchaser for a period of 5 years from the date of purchase, and to be free from defects in material and workmanship. ESI will repair or replace, at its discretion, any part that has been determined by ESI to have failed due to defective materials or workmanship. This limited warranty is available to the original purchaser only and does not extend to any other person or company. This warranty does not cover the following:

- Failure of an ESI product due to improper installation or maintenance.
- Misuse, shipping damage, use of improper cleaning chemicals.
- Labor for removal or replacement, shipping or transportation charges.
- Damage to related components due to unauthorized repairs.
- Damage caused by an unapproved driver.
- Modifying and/or changing original product.

In the case of a possible warranty claim the purchaser must call and request an RGA (Return Goods Authorization) Number, and then return the product at the purchaser's expense together with the original invoice. All Warranty claims must be made to:
